vs.

WAVLINK TECHNOLOGY LTD., a

JOINT STATUS REPORT

Case No. 2:16-cv-00400-DN

Judge David Nuffer

Pursuant to the Court's Status Report Order (Dkt. 33), Plaintiffs, LANDesk Software and Crimson Corporation ("Plaintiffs") and Defendant Wavlink Technology Ltd. ("Defendant") (Plaintiffs and Defendant collectively the "Parties") hereby notify the Court that the parties have conferred and have reached agreement on material terms for settling the present case. The parties are in the process of formalizing their agreement in a written settlement agreement. Because Defendants have principles in China and Plaintiffs recently went through a corporate acquisition, the negotiations have moved slower than anticipated. However, the parties expect to have a final agreement that will result in a dismissal of the case within 60 days. The parties therefore request that the Court suspend all deadlines for 60 days while the parties formalize and finalize their agreement.

Dated January 8, 2018.

Respectfully submitted by,

STRONG & HANNI
